

TEAM BUILDING PACKAGE

"I want to sincerely thank the team at Kingpin Bowling for helping us to arrange our function last Saturday.

Everyone had such a good time and because of the professionalism of the staff on the day, it really couldn't have gone any smoother!

We feel that the whole bowling experience was a fabulous kickstart to our team building function overall. The service was second to none, the food was great and the whole feel of the place is a lot of fun.

Thank you again for everything and we definitely wouldn't hesitate in coming to Kingpin again - in fact, I've been telling everyone I see what great fun it was!"
